Lots of luck to a
cute girl.

Harriette,
You are a very fine
young lady. May you have the
best of everything always. Keep
Singing Clara Williams

Best of luck and
sincere wishes &
may all your dreams
come true. To a very
pretty girl.
Love! ya! always!
Cookie Boy

Harriette,
I have enjoyed our friendship
for the past years more than
I can say. It has been a
pleasure going to school with
you and being one of your many
friends. We have had some good
times haven't we? Remember all
the ball games and the Real
Life meetings. We had some good
swims this year, too, didn't we?
I hope you have a good year at
school next year. I won't get to be
in a class with you again, like
Geometry!!!! I probably won't be around
much, but I'll always be thinking
of you. Whatever you do in life I know
you will succeed. I'll always think
of you as one of my best friends & hope you
will think the same of me.
Love, Jean Langley

Harriette, I have enjoyed Knowing you very much during the past few years. The first 2 years I Knew you, I was a little "childish" and we didn't get along very well. You have proven to be a very good friend whom I can trust with anything. I Know I was not so hot last year, but hope I have make up for it this year. I hope to come to Paris High next year and hope you do too. You are a very fortunate girl to have gone to Paris for several years more than I have. I think your cousin is divine too!!! With your intelligence you will make someone a very good life partner. I have admired you for a long time. Will you think of me often? I hope so, for I will think of you and remember you always. I am glad I Know you for I have had a lot of fun while you were around. The night has past that I shall remember the most. I don't see how I could ever forget it for I was with a girl that I shall never forget. Between you, me, and the gatepost, I like her far more than I ever thought or dreamed I liked Janet K. Please don't let her read this (either one of them) I hope to go steady with Toodely someday and maybe even more. Need I say more.

Here's wishing you the best of everything all through life and I Know if your life depends on what you deserve that you will have the best of everything. I hope you will find that "one-and-only someday and will make him the happiest boy in the World. I Know you will.

I hope to see you again next year, but if circumstances do not allow it, this is it

Love always,
Joe Stafford

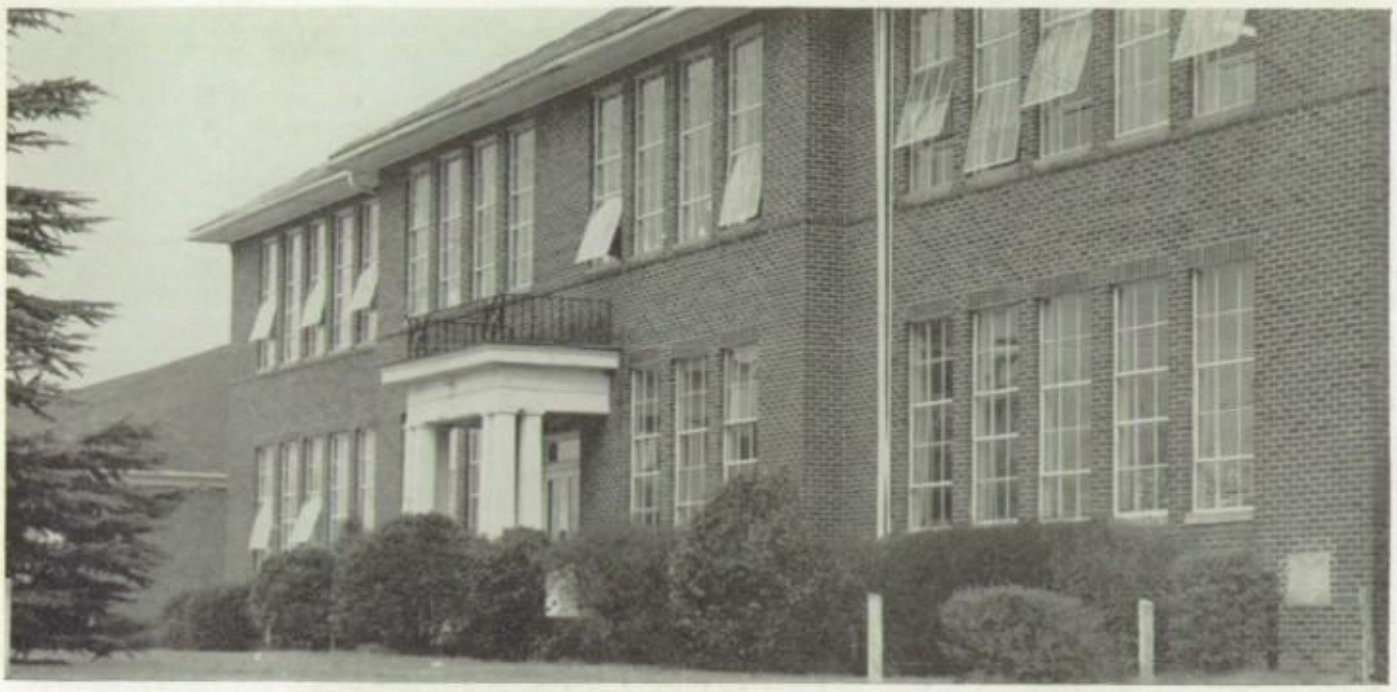
I'll always remember this as the first annual I ever worked on. I was assistant editor and this was a marvelous year.

The 1956 Parisian

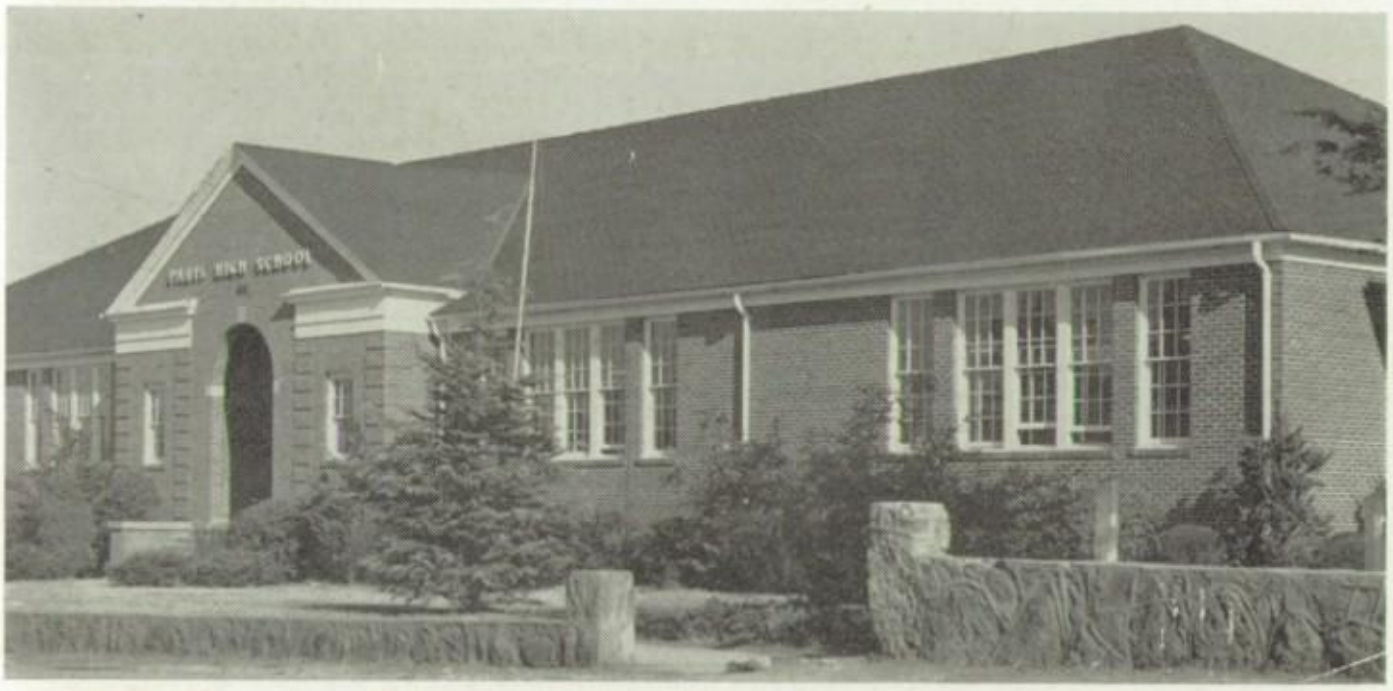
PARIS HIGH SCHOOL

Paris, South Carolina

In our midst many buildings and foundations are still standing . . . they are the remains of Camp Sevier, a training camp organized during World War I. It was named in honor of John Sevier, an American pioneer and brave soldier, who fought in the battle of Kings Mountain. The One Hundred and Eighteenth Infantry Regiment of the Thirtieth Division trained here. This regiment was awarded the largest number of individual medals of honor. Paris is the only school in South Carolina located on the former grounds of an army training camp of World War I.



Paris school had its beginning in 1926 with the erection of our present GRAMMAR SCHOOL building.



In 1936 PARIS HIGH SCHOOL building was erected.

A PARIS ELEMENTARY building opened in 1951 marks the latest addition to Paris School.

Dedicated To . . . .

Our Fathers and Forefathers

In appreciation for our great heritage of freedom and our opportunity to learn made possible by numerous sacrifices, we, the staff, dedicate the 1956 Parisian to our forefathers. Remembering our ancestors faced hardships and losses far beyond our understanding, we wish to pay tribute to their memory. Countless lives were given on battlefields to make possible the freedoms and comforts we enjoy today. May we never take our rights for granted; but, remembering those who made the supreme sacrifice for us, may we realize and perform our obligations to coming generations.

Parisian Staff

Foreword...

The Parisian staff of 1956 has tried through much enjoyable effort to hold dear the many lasting memories of this year by making them live through pictures and words. While delving into the relics of Camp Sevier, we have widened our knowledge of history and our appreciation for the "camp grounds" on which our school stands. In days to come may you take your 1956 Parisian from its dusty shelf, open it, and relive these wonderfully happy moments. moments.

Administration

This attractive two story, privately owned home was formerly a brick laundry. Before it was remodeled into a home eight years ago, a story went around that the wails of a woman could often be heard at night; it was reputed to be truly haunted. A woman spy was supposedly tortured to death during the war.
